Free Pumpkin Carving Stencils!

Scream - Free Pumpkin Carving Stencil

Use Your Page Setup Printer Settings to adjust print size to fit your pumpkin.

Directions:

Cut hole in top of pumpkin and remove all inside seeds and strings. Print out free pumpkin carving stencil. Tape free pumpkin carving stencil to pumpkin. Use a duller kitchen or silverware knife to trace (score) the white areas pressing firmly to pierce the paper using a rolling motion. Remove free pumpkin carving stencil. Cut out scored areas with a pumpkin carving saw (available in most pumpkin carving kits) or a carving knife. Safety first - be careful not to cut yourself while carving. Be patient, take it slow and Happy Pumpkin Carving!
